Re: The Family Compensation Act

Mr. McHale,

Thank you for the letter you sent (dated January 25, 2007) in follow-up to our request for a meeting with regard to the *Family Compensation Act*.

Our coalition received your letter yesterday (February 6) and our committee members had a chance to discuss this matter today. At this time, we would like to repeat our request for a meeting with you. While our committee is pleased to learn that the BC Government is reviewing the *Family Compensation Act* and that the Attorney General's Ministry plans to initiate consultations this spring, we remain of the view that a meeting with you, at this stage, would be more helpful to the process.

We will contact your office next week to ensure receipt of this request and with the hope that a meeting time can be arranged.

Thank you kindly. We appreciated your prompt response to our previous letter and look forward to an opportunity of discussing this matter further.

Best regards,

Peter Maarsman
President, CANF Steering Committee
